Education

07.2018 **Expert in Science Communication** – Universitat de Vic (Spain)
05.2017 **PhD in Organic Chemistry** (Cum laude) – ISQCH, CSIC – Universidad de Zaragoza (Spain)
06.2012 **MSc in Chemical Research** (95%) – Universidad de Zaragoza (Spain)
06.2011 **MSc in Organic Chemistry** (87%) – Université Pierre et Marie Curie (France)
06.2009 **BSc in Chemistry** – Universidad de Zaragoza (Spain)

Relevant awards

2018 **First Prize – ‘Premio Fotón Emitido’ Best Photonics Outreach Story**
Instituto de Óptica, CSIC – Madrid (Spain)
2017 **First Prize – Best Early Career Science Communicator**
Cátedra José María Savirón – Zaragoza (Spain)
2015 **Competitive Grant – Lilly Drug Discovery Workshop**
Eli Lilly and Co. – Alcobendas - Madrid (Spain)
2015 **Finalist – Chemistry World Science Communication Competition**
Royal Society of Chemistry – London (UK)
2014 **SciFinder Future Leaders in Chemistry Award**
Only 17 participants worldwide were selected for the 2014 class
Chemical Abstracts Service, American Chemical Society – Columbus, Ohio (US)

Experience

05.2018 – **Graphene Flagship Press Coordinator** – University of Cambridge (Cambridge, UK)
03.2016 – **Co-Host – En Ruta con la Ciencia** – Science TV Show, Aragón TV (Zaragoza, Spain)
http://bit.ly/FGB_EnRuta
12.2016 – **Freelance Contributor** – Chemistry World – Royal Society of Chemistry (Cambridge, UK)

Memberships

- 2012 – Member of the Spanish Royal Society of Chemistry (RSEQ)
- 2014 – 2017 Member of the Board (**Secretary**) of the Spanish Young Chemists' Group (JIQ-RSEQ)
- 2014 – 2018 Spanish Delegate in the European Young Chemists' Network (EYCN)
- 2014 – Member of the American Chemical Society (ACS)
- 2015 – 2017 **Chair** of the European Young Chemists' Network (EYCN)
- 2015 – Founding Member of the International Younger Chemists' Network (IYCN)
- 2017 – Member of Spanish Association of Science Communication (AECC)
- 2018 – Member of the British Association of Science Writers (ABSW)
- 2019 – Member of the Society of Spanish Researchers in the UK (SRUK/CERU)

Further experience in Science Communication

Selected Courses

- 2016 **Scientists and mass media.** (*El científico ante los medios de comunicación*).
Instituto RTVE – Barcelona, Spain.
- 2015 **How to write a scientific paper?** (*Cómo escribir y publicar un artículo científico en inglés*)
CSIC, Zaragoza (Spain)
- 2014 **Writing in the Sciences (MOOC)**
Stanford University, Palo Alto, California (US)

Selected Invited Conferences

- 19.11.2019 **Communicating science en español – Webinar**
CIRE2N, Universidad de Puerto Rico – San Juan (Puerto Rico)
- 09.07.2019 **Science beyond the paper**
47th IUPAC World Chemistry Congress – Paris (France)
- 17.11.2018 **Malva – La historia de un joven que transformó la industria química**
Trobada Bojos per la Química, Fundació La Pedrera – Barcelona (Spain)
- 22.10.2018 **Workshop – Beyond the paper, science communication and outreach**
2nd BIST Postdoc Day – Barcelona (Spain)
- 23.07.2018 **Sharing your love for chemistry - Webinar**
Summer School on Membrane Technology, NNSTU – Nizhny Novgorod (Russia)
- 13.07.2018 **Del paper al tuit**
VII Escuela de Verano sobre Historia de la Química, Universidad de la Rioja – Logroño (Spain)
- 20.02.2018 **Science on TV**
IMDEA Nanociencia – Madrid (Spain)
- 12.09.2016 **Sharing your love for chemistry**
6th EuCheMS European Chemistry Conference – Sevilla (Spain)

Other collaborations

- 11.2015 – **Tercer Milenio – Heraldo de Aragón** (Science Section) - Writer
http://bit.ly/FGB_Heraldo
- 06.2015 – **American Chemical Society** (Chemical and Engineering News) – Translator
Translations carried out under a special agreement with C&EN and the ACS.
